MEDIA KIT / OCTOBER 2026

Zimbabwe rooted. Africa focused.

The Narrative Network

News, interviews, film and conversations connecting Zimbabwe, Africa and the world.

Editorial focus

Politics and governance; business and economy; social and community; sport and culture.

Channels

Website, YouTube, Facebook, Instagram, LinkedIn and WhatsApp. Available formats and campaign distribution are confirmed in each proposal.

Partnership opportunities

Advertising placements; clearly labelled sponsored interviews and programmes; documentary and digital-series production; event and campaign coverage.

Audience and accountability

Verified audience figures, reporting periods and campaign measurements are provided with proposals. Traffic request counts are not presented as readership. Sponsorship does not purchase independent editorial endorsement.

Send a brief

Tell us your organisation, objectives, audience, deliverables, timeframe and indicative budget. Rates depend on scope, production and distribution.
